

Reorganisation of the School of Technology (SoT) into Two Independent Schools

GSFC University
Academic Division

Office Order No. Registrar/082026/324

Date:12.08.2026

01. Preamble

The **School of Technology (SoT)** was established in **2015**, since the inception of GSFC University, and has played a significant role in the University's academic growth and development. Over the years, the School has expanded its academic portfolio and contributed substantially to the University's teaching, learning and technological education.

With the **expansion of academic programmes, increasing student strength and growing academic and administrative responsibilities**, there is a need to further strengthen the academic structure of the University and provide greater focus to individual disciplines and programme areas. The proposed restructuring is aimed at enhancing **academic quality, focused governance, programme development, faculty engagement and future academic expansion**.

Accordingly, the proposal for reorganisation of the existing **School of Technology (SoT)** into two independent Schools was placed before the **34th Meeting of the Governing Body / 35th Meeting of the Board of Management of GSFC University**, held on **07.08.2026**.

02. Decision

The Governing Body and Board of Management considered the proposal and **approved the reorganisation of the existing School of Technology into two independent Schools**, as detailed below. :

A. School of Information and Communication Technology (Erstwhile SoT)

The following academic programmes shall be placed under the School of Information and Communication Technology (SoICT):

1. B.Tech. Computer Science & Engineering
2. B.Tech. Electronics & Communication Engineering
3. Bachelor of Computer Applications (BCA)
4. M.Tech. Computer Science & Engineering
5. Ph.D. Computer Science & Engineering

B. School of Chemical Engineering and Fire Safety (Erstwhile SoT)

The following academic programmes shall be placed under the School of Chemical Engineering and Fire Safety (SoCFS):

1. B.Tech. Chemical Engineering
2. B.Tech. Fire & Environment Health Safety (Fire & EHS)
3. Post Graduate Diploma in Industrial Safety

The reorganization shall be administrative and organizational in nature and shall not affect the existing curriculum, sanctioned intake, statutory/regulatory approvals, academic regulations, or service conditions of faculty and staff.

All concerned Schools, Departments and administrative units are requested to take necessary action for implementation of the above decision and update their records, systems and official communications accordingly.

The above reorganization shall come into force with immediate effect.
