EDUCATION RE-ENVISIONED

GSFC University Partners with Lupin Manufacturing Solutions Ltd.

Vadodara, 9 October 2026: GSFC University, Vadodara, has signed a Memorandum of Understanding (MoU) with Lupin Manufacturing Solutions Ltd. to strengthen industry-academia collaboration and enhance students' practical learning, skill development, and career opportunities. The MoU was signed on behalf of GSFC University by Shri. Manish Pradhan, Registrar, GSFC University, with Shri. Mohil Surti, Head Human Resources, Lupin Manufacturing Solutions Ltd. representing Lupin Manufacturing Solutions Ltd.

The collaboration aims to bridge the gap between academic learning and industry requirements by providing students with opportunities for internships, placements, industrial visits, certification programmes, skill development initiatives, and industry-oriented learning experiences. Through this partnership, students will gain greater exposure to industrial operations, emerging practices, and workplace expectations, helping them develop competencies aligned with the evolving needs of the industry.
